RE: College Logo Uniform Transition

Dear Parents and Carers,

In 2022, Northside Christian College launched a new College logo. All uniform items available for purchase at Academy Uniforms now bear the new 2022 College logo.

Since the release of the current 2022 College logo, students have been wearing a mix of uniforms bearing the following three College logos:

2013 College Logo

2016 College Logo

2022 College Logo

I am writing to inform you that the College will be now be phasing out the appearance of the 2013 logo on its uniforms.

From Term 1 2026, students may only wear uniforms that bear the 2016 logo and/or the 2022 logo. This includes school bags for Primary and Secondary School students. The College is giving families two years notice of this change to assist families in planning their uniform purchases.

The 2013 College logo was not permitted to be sold at the recent Second Hand Uniform Sale and moving forward, it will no longer be permitted to be sold via the Second Hand Uniform Facebook group. By promoting this change, families will be better placed in ensuring that they are purchasing or gifting school uniforms that are compliant with the College Uniform Policy.

From Term 1 2028, students may only wear uniforms that bear the 2022 logo. This includes school bags for Primary and Secondary School students.

From 1st December 2026, families will no longer be permitted to sell uniform items bearing the 2016 College logo at the Second Hand Uniform Sale or via the Second Hand Uniform Facebook group.

Northside is proud of its College uniform and the sense of belonging it gives our students. I hope that the advanced notice of this change will enable families to plan their uniform purchases over the next two years. I thank you in advance for your cooperation and support as the College moves to unify and improve the uniform standards at the College.

Sincerely,

**Michael Bond
Principal**
