Dear Parents/Guardians,

Re: Parent Teacher Interviews

On Tuesday 14th April 10:00am-8:00pm we have Parent/Teacher interviews at the College.

This year we are going to do things slightly differently. In the interests of helping our students to take greater responsibility for their learning and personal development, we are asking that all secondary students attend the teacher interview with their parents.

The main focus of the interviews will be to review the progress of students through Term 1 and set some specific learning targets for the remainder of the year.

We understand that in many cases, more than one child in a family will require an appointment with the same teacher. If you find yourself in this situation we kindly request that families book no more than 2 appointments in a row with the same teacher. This will allow interviews to run more smoothly for everyone involved.

We are using the online booking system that proved successful last year. Instructions explaining how to book your appointments online can be found over the page.

Looking forward to a day when staff, students and parents can partner to improve your child’s learning experience at Northside Christian College.

Yours sincerely,

Mr Doug Holtam
Principal
