Dear Year 10 Parents,

## **SENIOR SCHOOL**

Thank you for being in partnership with us through this year of TRANSFORMATION.

In 2016, we are introducing a new system of individually purchased school stationery. This will provide students with the opportunity for more responsibility and ownership but it will also allow for more autonomy and choice.

An Essential Items list has been established as well as the individual Electives program requirements. The list of electives and who has chosen them is attached as a reminder.

If families already have these items, they will not need to purchase them.

The school has been working with OfficeMax, which will offer online or in store purchase and delivery options. These items will be from their basics range and can be substituted or eliminated, as you wish.

Please ensure that all items are named and ready for the first day back at school.

I wish you and your family a blessed Christmas and a safe and restful holiday.

Yours faithfully,

Angela Eynaud  
Director of Senior School Learning
